The College of Life Science of National Tsing Hua University (NTHU) in Hsinchu, Taiwan, invites applications for faculty positions at all levels, with an expected start date of **February 1st or August 1st, 2022**. The college provides outstanding opportunities for faculties to undertake advanced research and engage in excellent educational programs. We seek for outstanding candidates from the following fields:

1. Pharmacology
2. Microbiology
3. Anatomy, Histology, and Embryology
4. Parasitology
5. Public Health
6. Medical Humanities and Education

NTHU is situated in Hsinchu, Taiwan, embraced by the Hsinchu Science Park and Hsinchu Biomedical Science Park. In addition to having a beautiful campus, NTHU is recognized as a leading research university in Taiwan. Applicants should provide the following documents: (1) curriculum vitae, personal information, publication list, (2) a cover letter, (3) statement of research achievements, (4) statement of research and teaching plan, (5) a photocopy of Ph.D. diploma, and (6) three reference letters (referees should directly send the letters to us via email or post).

Please submit your application with the required documents by **November 8, 2021**, to Faculty Recruitment Committee, College of Life Science; 101, Sec 2, Kuang Fu Road, Hsinchu 300044, Taiwan. For electronic submissions and additional inquiries please contact us by Email: recruit@life.nthu.edu.tw. Furthermore, the information regarding the research of our college is available at <https://cls.site.nthu.edu.tw/>.
